The German Armed Forces hospital at kilometer mark 4.4, east of the FLORIDSORF (O 49/X 49) - STAMMERSDORF - WOLKERSDORF (P 49/S 41) road, was still used as a hospital by the Soviets on 23 October 1949. Hospital personnel and guards wore red-bordered black epaulets. Soldiers entering and leaving the building wore red-bordered black, black-bordered red, and black-bordered blue epaulets. The number of beds in the hospital was estimated at 600. No motor vehicle traffic was observed.

The former Artillerie Kaserne at 5 Landwehrstrasse, near kilometer mark 9.4 - 9.8 of the electric railroad line to BRATISLAVA (P 49/X 99), was apparently occupied by a small tank unit on 23 October 1949.
